### BACKGROUND/PROPOSAL:

1. RCMP Fairview detachment would like to come as a delegation to Council on the 22<sup>nd</sup> of May. Wishing to introduce new Staff Sergeant Beach and discuss items/issues with Council.
2. Marie Worobetz has submitted a concern about the placement of Clear Hills County waste disposal bins at its present location. After talks with Ron Jensen of the County she feels that the drainage is not appropriate and would like them moved where they can be on pavement. Present location the water runs down into that area and it gets rutted up and icy at times. She fell there this winter.
3. On March 20, 2018 at 2:08 the Village of Hines Creek shop was broken in a number of tools within the shop were taken along with the UFA gas card. We forwarded a list of missing items to our insurance company as a claim of loss. We have been notified that it appears the damages for this claim are under the \$5,000. Deductible. They are requesting that we withdraw our claim so they may close the file.
4. We were able to though deduction and a visual during break in to determine who was getting unauthorized bulk water. Door access codes were changing and the user was notified that they will no longer be able to access the bulk water station.
