

Village of Hines Creek Council Request for Decision (RFD)

Meeting:	Regular Council Meeting
Meeting Date:	November 27, 2019
Originated By:	Leanne Walmsley, Chief Administrative Officer
Title:	Budget Meeting Quotation Item
File:	0304

BACKGROUND/PROPOSAL:

Hines Creek Water Treatment Plant

Replacement of U.F. filters (cartridges)

If we replace 6 filters a year it will take us 6 years to replace all them. These are the original filters which were installed in 2012.

There 36 cartridges that will need to be replaced. We are looking at changing our 6 cartridges a year for a period of 6 years. These filters would replace the original filters

These filters have a shelf life so they will need to be install right away.

COSTS/SOURCE OF FUNDING (if applicable)

Suez Water Technologies & Solutions (Used to be GE. Technologies)

Quotation for filters

$$6 \text{ filters @ } \$2,877.46 = \$17,264.76$$

Jason has put in a request into Suez Water Technologies if they will guarantee the price we will schedule to replace all 36 under the quotation for a total cost of \$103,588.56 over the 6 year period. We have \$20,000.00 budgeted for water treatment plant upgrades and I suggest we order the first 6 on this year's budget.

RECOMMENDED ACTION:

Initials show support- Reviewed by:	Manager:	C.A.O. <i>jlw</i>
-------------------------------------	----------	-------------------

That Council authorize the purchase of 6 UF cartridge filters at the quoted price of \$2,877.46 per filter from Suez Technologies & Solutions.
