Just announced: property tax rules amended for cannabis production facilities

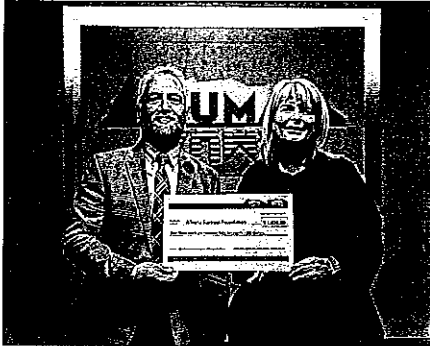

QUICK LINKS

[Intermunicipal Collaboration Framework \(ICF\) deadline approaching](#)

[Munis 101 rolls into Rocky Mountain House on December 2 and 3](#)

The [revisions](#), which will see cannabis facilities taxed as non-agricultural businesses, respond directly to [AUMA's ongoing advocacy](#) on this issue. More details to follow.

ADVOCACY UPDATES

AUMA Convention delegates step up to donate to environmental charity

For the second year in a row, AUMA's Convention delegates accepted our Convention lanyard challenge.

Intermunicipal Collaboration Framework (ICF) deadline approaching

April 1, 2020 will be here before you know it, which means your municipality must have an Intermunicipal Collaboration Framework adopted and in place in less than five months.

GOOD TO KNOW

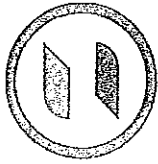

What is required of municipal leaders these days? What really makes for a good CAO-council relationship? [Listen to MNP's chat with George Cuff](#), former four-term Mayor of Spruce Grove and one of Alberta's public sector insiders, to find out.

Munis 101 rolls into Rocky Mountain House on December 2 and 3

Hot on the heels of successful engagements in Nisku and Peace River, [Munis 101: The Essentials of Municipal Governance](#) is coming to the Christensen Sports and Wellness Centre in Peace River.

Join rural and urban colleagues for an engaging 1.5 days of learning and sharing wisdom on how to successfully fulfill your role as a municipal leader. [Register](#) today.

**Municipal
Climate Change
Action Centre**

Enter to win an Ecobee Smart Thermostat!

Catch the Municipal Climate Change Action Centre staff at the RMA Convention this week – their booth is near the registration area. Talk to them about how your municipality can join over 130 others already participating in our programs, and enter the draw to win an Ecobee!

Get funding for your next energy efficiency retrofit, renewable energy project, electric vehicle purchase and more. MCCAC offers webinars about each of their funding programs and advisory services. Register for upcoming webinars here.

Fund your municipality's bold environmental projects with FCM's new funding opportunity. Funding is available to Canadian municipalities and their partners for highly innovative and impactful environmental projects that improve municipal service delivery while reducing GHG emissions and protecting the air, water or land.
