**Subject:** Meeting with Health Ministry

The MLA's office was able to put together a meeting with the Health Ministry. The meeting will be in the legislature building February 25<sup>th</sup> at 10:30. Purpose of this meeting is to have representation from the 4 municipalities and local doctors to discuss the current issues with Peace River and request that the Fairview Hospital fall under the control and direction of Grande Prairie. We are trying to get more services at the Fairview hospital and this would be the first step in moving this forward.

Please let me know if you or another representative from your municipality is able to attend this meeting. It would also be beneficial for Reeves and Mayors to be able to attend.

Please RSVP me as soon as you can so that I can confirm the meeting with the MLA's office.

Regards,

Daryl Greenhill, CLGM
